[These 10 perfect Bentley Continental GTs are for sale. Which would you pick?](#)

Lead

The Bentley Continental GT is one of the most capable all-rounders on the planet, and we’ve picked 10 of our favourite examples. Whether you want a W12 or V8, a coupe or convertible, you’ll find the Continental GT of your dreams below.

One could make the argument that the [Bentley Continental GT](#) is one of the best cars on sale right now. Sure, they aren’t cheap, but you’re not just paying for the engineering might of Bentley and the VAG group as a whole, but also the countless hours spent by the master craftsmen in Crewe honing and refining their artistry. The Continental GT isn’t just a continent-crushing grand tourer, it’s the culmination of decades of research and engineering dedicated to creating the ultimate gentleman’s lounge on wheels. And it just so happens that the Classic Driver Market is home to some of the finest examples on the planet. Whether you’re on the hunt for an ultra-rare Le Mans-inspired limited edition, the full-fat W12 variant, or the lighter and more agile V8 — in coupe or convertible guise — you’ll find the Continental GT you dreamed of below!

We’ve hand-picked 10 of our favourite examples from the Classic Driver Market:
