It was a year-long project that saw the Classic Driver team collate a mixture of our favourite stories over our brand's 25-year journey. Now, we are delighted to announce we've won the special prize of the jury at the Motorworld Book Awards 2024!

Months of planning, designing, collating and creating collimated in a physical showcase of hundreds of stand-out stories that sculped Classic Driver into one of the world's leading online classic and collector car magazines. Thankfully, this hard work has paid off, and we were all delighted to hear that Jürgen Lewandowski, the jury, and the Motorworld Group have selected 'Best of Classic Driver' as its special prize winner.

J.P. Rathgen, Classic Driver's CEO was in attendance of the award, and expressed his gratitude, "Receiving the Motorworld Book award for our Best of Classic Driver Book is a profound honour and a testament to the passion and dedication of our team. I am deeply grateful to the jury for recognizing our efforts. Thank you to everyone involved for your unwavering support and belief in our vision."

If you don't own the Classic Driver book already, make sure to grab one of the last remaining copies from the CD Shop before it's sold out. We'd also like to say a huge congratulations to all the other authors and publishers whose work has been awarded. Print is most certainly not dead!
