Twice the luxury in the new two-tone Bentley Bentayga Mulliner

Lead
Akin to Aston Martin's Q branch, Bentley has called on its 'personal commissioning division', Mulliner, to offer a limited number of Bentaygas with some devilishly decadent options...

Worth mulling over

For those who find the standard Bentaygas lacking in the luxury department, Bentley's new Mulliner edition is sure to satisfy even the most demanding of clients. While the exterior changes are minimal, the interior has been completely restyled, with a 'Mulliner-designed colour split' — different coloured front and rear seats — which feature hand-stitched hides with Mulliner embroidery and contrast stitching, and an exclusive Ombré Burr Walnut veneer, finishing it off in fine fashion. Fortunately, the two-tone exterior paint is an option, but of course, the Mulliner bottle cooler and illuminated chilling cabinet with Cumbria Crystal flutes are standard. Just make sure you stow the glasses properly, as the Mulliner edition retains the 600bhp W12 engine that earned the Bentayga the 'World's Fastest SUV' accolade.
