[These are the Lancia icons everybody wants to own](#)

Lead

Forget about multi-million-euro supercars – anyone who wants to really cause a stir should drive a genuine rally Lancia or its corresponding homologation model. You currently can't go wrong with the following 10 cars...

Steady drops hollow the stone – especially on social media. It's due to omnipresent brand gurus and diehard *Lancisti* such as [Max Girardo](#) and [Eugenio Amos](#) that the once proud Italian marque is being traded in such a hysterical manner. Well, we've also been singing these rally icons' praises for a few years now. Remember our meeting with [the Lancia trinity in 2012](#), our [drift to the cocktail bar at Dukes Hotel in London with a Martini Racing 037](#), or, more recently, our [nocturnal escapades at the wheel of a Delta S4 Stradale](#)? Among [the nearly 150 classic and modern Lancias currently listed in the Classic Driver Market](#), there are numerous rally and homologation sports cars, each of which is bound to catch people attention whether you're in London, Tokyo, Cernobbio, or Monterey this year. These are our favourites...
