

CLASSIC DRIVER

[Join us at the Classic Driver Panda 4x4 Meet in St. Moritz](#)

Lead

On 7 December, Classic Driver is kicking off the winter season with a celebration of the iconic Fiat Panda 4x4 in St. Moritz. And all Panda 4x4 owners are welcome to join...

The Engadin in the Swiss Alps is a hotspot for automotive wonders, but if there is one car that can be considered a symbol of St. Moritz, it must be the modest Fiat Panda. Loved equally by Grisonian locals and influential visitors such as Gianni Agnelli, who used his signature silver Panda 4x4 to casually tear between the Cresta Run, Dracula Club, Palace Hotel and Suvretta House in the 1980s, the humble hatchback from Turin soon became a style icon of the international Jet Set.

To celebrate designer Giorgetto Giugiaro's puristic masterpiece and the car's long-time relationship with St. Moritz, Classic Driver has teamed up with [Larusmiani](#) and [Suvretta House](#) to hold the first-ever Fiat Panda gathering. Taking place on Saturday 7 December 2019, the Classic Driver Panda 4x4 Meet in St. Moritz will begin with a casual rendezvous of likeminded Panda owners and their cars at the Kulm Country Club, followed by cocktails at the Larusmiani boutique, a Panda Parade to Suvretta House and a celebratory dinner at Chasellas restaurant, where a Piemontese-Grisonian four-course fusion menu with selected matching wines will be served.

We would like to cordially invite you to join us for this special occasion and support us in opening the St. Moritz winter season in quintessentially automotive style. For an even more pleasant visit, Suvretta House is delighted to offer you a special 'Panda Package Rate' of just 350CHF per person, which includes accommodation and dinner. Of course, you're welcome to join us just for the afternoon meeting and dinner (150CHF per person). Please let us know if we can expect the pleasure of your company by sending a confirmatory email to rsvp@classicdriver.com.
