Bennett Winch - S.C Holdall

Finding the right holdall is like the hunt for the perfect pair of jeans. The right companion can feel completely effortless and an extension of your arm, whereas the incorrect \([page\]

one can be fiddly and cumbersome. Thankfully, brands like Bennett Winch know a thing or two about creating the perfect bag, and their S.C Holdall is a firm favourite in the Classic Driver office. A sharp, understated look masks a unique 2-piece design developed in collaboration with Permanent Style, creating both a holdall and suit carrier in one. This construct avoids hard, tight folds by allowing a jacket and trouser to be wrapped around the spacious central cylindrical bag, which is then secured with magnets and straps. After the ultimate weekend bag? This is the one for you, now you just need to decide on the perfect colour!
