Aston Martin Rapide Luxe

The Aston Martin Rapide Luxe is a new, more exclusive version of the four-door sports car, with an upmarket trim level that offers such extra equipment as a bespoke luggage set and rear-seat DVD entertainment system.

The six-piece luggage set comes matched to the colour of leather you select for the interior of your new Rapide Luxe – while the body paint palette includes the additional new colours of ‘Quantum Silver’ and ‘Concours Blue’. The driver, meanwhile, might enjoy the unusual look of the glass switchgear and key fob.
