[Video: Rare footage of Ferrari Hydroplane in action](#)

Lead

It's always special to see a V12-engined Ferrari from the mid-fifties captured in high definition but, when said subject is the one-off ARNO XI Hydroplane, even the eyebrows of the imperturbable will begin to rise.

Classic Driver reported on the [forthcoming sale of the Hydroplane](#) back in February and now, just days away from finding a lucky new owner for the aquatic Ferrari, RM Auctions has released stunning high-definition footage of the ARNO XI.
