[Arosa Classic Car 2012: Video from the cockpit of a Porsche 356 A 1600 Super GT](#)

Lead

The Arosa Classic Car hillclimb is extremely challenging for man and machine. Here, Classic Driver is on board a Porsche 356 A 1600 Super GT to film the mountain ride.

Despite slippery, rain-soaked roads, the Porsche pilot directs his 1959-built sports car accurately and safely along the full length of the 7.8km route.
