Bruce McLaren: The life and death

Lead

This video is a very rare thing: genuinely moving – deeply so – but also informative, interesting, inspiring. It is the first of three (very) short films released to celebrate the 50th anniversary of McLaren and it summarises, beautifully, the life and death of Bruce McLaren.

To quote from the film: “Life is not measured in years alone – but in achievement. That would make a good epitaph, wouldn’t it?”
