[The Winner's Watch: 'Lange 1 Time Zone Como Edition' by A. Lange & Söhne](#)

Lead

'The Winner Takes It All.' When it comes to the Villa D'Este Concorso d'Eleganza, Swedish pop group ABBA was right on that one, as Best of Show will earn its lucky owner a special 'Como Edition' of Lange & Söhne's desirable Time Zone watch.

The caseback of the watch will be engraved with the crest of the annual Concorso, while on the rotating city ring 'Berlin' has been replaced by 'Como', the provincial capital of the Lake Como region representing Central European Time.
