[Classics at the limit: The 2013 Spa Six Hours in pictures](#)

Lead

The Spa Six Hours is one of the most exciting historic motor races in Europe, taking place on the legendary Spa-Francorchamps circuit - deep in the Ardennes Forest - and stretching way into the late summer's evening. Photographer Tim Brown was on hand capturing all the best moments for us...

In the weekend's main event, the six-hour endurance race, Simon Hadfield and Leo Voyazides took a sterling victory in their Ford GT40, seeing off several other GT40s, Mustangs, Porsche 911s and Austin-Healey 3000s. Not only did Brown capture the epic race, but also the rather wet victory celebration afterwards.
