## [Snapshot, 1955: Carroll Shelby in Palm Springs](#)

### **Lead**

It is the 3rd of December 1955 in Palm Springs, where the sun always seems to shine - and Carroll Shelby in a good mood. No wonder, when you take a look at the Ferrari 375 Plus he's piloting...

Team owner Tony Parravano, standing third from the left, appears less cheerful. Perhaps he suspects that Shelby will crash the Ferrari?
