[Bonhams announces single-marque auction at Mercedes-Benz Museum](#)

Lead

Building on not only the success of the Aston Martin Works auctions in Newport Pagnell, but also last year's record sale of the W196, Bonhams has announced a single-marque sale that will take place at the Mercedes Museum in Stuttgart on 12 July 2014...

With a lotlist set to feature no fewer than 40 important cars from the illustrious marque's back catalogue (further consignments are still invited), the newly announced sale forms the latest chapter in a so-far highly successful partnership between the British auction house and Mercedes-Benz Classic. Having worked together closely since the early 1990s, the pair joined forces last year to achieve the [World Record sum](#) of £19.6m paid for the ex-Fangio Mercedes-Benz W196 GP car at the Goodwood Festival of Speed.

The collaborative auction will take place at the Mercedes-Benz Museum in Stuttgart, Germany, on 12 July 2014. Classic Driver will preview the sale closer to the time.
