[Easy Rider: This summer, ride barefoot](#)

Lead

Leathers, beer bellies, facial hair – the days of tough motorcycle types appear to be numbered. Photographer Henrik Purienne shows us how a real ‘Hell’s Angel’ looks today: blonde, barefoot, and scantily clad...

Henrik Purienne has a remarkable eye for the lascivious-realistic look of the 1970s – and he’s brought his crackling, erotic snapshots to a global audience. The South African photographer and filmmaker has worked for [American Apparel](#) and [Playboy](#), taking aesthetic inspiration from the films of John Cassavetes and Eric Rohmer. Since 2009 he has also served as editor of [Mirage Magazine](#). Henrik Purienne’s portfolio can be seen at [purienne.com](#).
