[Goodwood Revival 2014 - through the lens of Amy Shore](#)

Lead

Star snapper Amy Shore was on location at the 2014 Revival, capturing the atmosphere as an official Goodwood photographer in her own inimitable way...

Whether you were unlucky enough to be otherwise engaged during Revival weekend – or were there, but simply overwhelmed by the sights, smells, sounds and styles – Amy's gallery provides another viewpoint from which to absorb the action. Enjoy!
