## [10 cool classics from the Cornette de Saint Cyr auction in Paris](#)

### Lead

On 11 October, French auction house Cornette de Saint Cyr will put some 40 cars under the hammer in Paris. Alongside a pair of Alpine A110s (something of a staple at French auctions), you'll find such classics as an Aston Martin V8, Renault 5 Turbo, and a BMW M635CSi with French-spec headlights...

You can find the full lotlist and further details about the sale in the [Classic Driver Market](#).
