[What's Kylie up to in the back of this Rolls-Royce Ghost?](#)

Lead

For her current 'Kiss Me Once' tour, Kylie Minogue has incorporated a Rolls-Royce Series II into one of the scene changes. But the stately saloon is far more than just a glamorous prop...

Dreaming of a Drophead...

The Australian artist actually uses the Ghost as a mobile locker room, quickly changing outfits between songs. "It was so glamorous and sexy," says the pint-sized pop princess, "and trust me, my quick changes are not normally in such a glamorous location!" Good job you weren't sent a [Phantom Drophead Coupé](#), Kylie.
