## [Aston Martin DB4, DB5 and DB6 - A Silver Birch trio in one fell swoop](#)

### Lead

Many believe the early Newport Pagnell cars are the most desirable Aston Martins, particularly in the classic shade of Silver Birch. But should you select a DB4, DB5 or DB6? If you're in the Netherlands, there's no need to choose...

### Three generations of desirability

Dutch Classic Driver dealer [The Houtkamp Collection](#) recently made a rare catch: three generations of Aston Martins in one fell swoop, all in the same colour. The tempting trio will be on display at [Interclassics - Topmobiel in Maastricht](#) between 8 and 11 January 2015 if you'd like a closer look.
