## [This Rickman Kawasaki is 1980s faired perfection](#)

### Lead

The glassfibre fairing is making something of a comeback for 2015. Ahead of this weekend’s Bike Shed London custom motorcycle event, this Rickman-framed Kawasaki 900 has us reaching for our bubble visors...

### Black and gold

Offering a fantastic blend of power and handling, this [Rickman Kawasaki Z900](#) is far from a modern interpretation of a Mad Max-style custom. Produced in period by brothers Derek and Don Rickman, the British-made frame is mated to Kawasaki’s smooth and powerful motor. The result is a fast and appreciating classic that continues to turn heads today. You’ll undoubtedly find more faired customs at the Bike Shed London event, 23-24 May.
