[An American Singer in London...](#)

Lead

Shortly after its debut at the Goodwood Festival of Speed, this Porsche 911 Targa 're-imagined by Singer' took a tour of London, joined by one of its coupé brethren...

Singers make noise in the Capital

Before [Singer's take on the Porsche 911 Targa](#) was publically unveiled in Lord March's back garden a few weeks ago, the company released a set of images showing the beautiful reborn classic framed by Californian mountains. However, we think the edgy backdrop of a bustling London does a better job of accentuating the Singer's sumptuous curves - wouldn't you agree?
