

CLASSIC DRIVER

It's impossible not to smile with a fleet like this

Lead

How does a woman of the world fill an October Sunday? It's simple – she lets down her hair, loads her custom motorcycle in the back of her Land Rover pick-up, and enjoys a convivial day at the beach...

The more we look at this latest gallery from our Portuguese friends at [Cool & Vintage](#), the more we feel as though something went wrong in our life plans. When was the last time you dusted off the Landy, loaded up your scrambler and headed to the beach, just as the sun was setting? Oh, you don't have a Land Rover and a scrambler? Our point exactly...
