[Patek Philippe preaches stewardship before ownership](#)

Lead

According to Patek Philippe, you don't own one of its watches, you simply preserve it for the next generation. This short video produced by the legendary Swiss watchmaker shows that the principle applies to cars as well...

A sharper form

We guess the same could be said of any collectable item, be it a watch, a car, a vintage suitcase or a wooden tender. The [Facel Vega](#) driven in this beautifully moody short film certainly deserves to be preserved for the future. With interest in classic cars showing no signs of slowing, it seems a lot of people seem to think so, too.
