[Ferrari Friday - to the pub with Ye Olde No 308](#)

Lead

When you've got a Ferrari tucked up in the garage, you'll find any viable reason to take it for a spin – a trip to the pub, for example, is as good an excuse as any...

Black beauty

An English country pub on an overcast spring day – it couldn't be further from the Hawaiian beachfront that is so synonymous with the Ferrari 308 GTS, thanks to its role in the cult-classic detective drama Magnum P.I. Nevertheless, it was the destination of choice for Alex Classick, whose new eponymous company's stock was [recently added to the Classic Driver Market](#). The black beauty in question is a [1984 Ferrari 308 GTSi](#), which benefitted from a recent re-spray as part of a cosmetic restoration. Who cares about the weather? A convertible is for life, not just for when the sun's out.
