[You'll find few better collections of classics than Corrado Lopresto's...](#)

Lead

Corrado Lopresto boasts one of the most famous, original and important car collections in the world - one that he started at the tender age of 16. Credit Suisse spoke with the great collector about his greatest passion...

Golden boy

With over 100 trophies to his name, including a scarcely believable four Villa d'Este Coppa d'Oro awards, [Corrado Lopresto's predominantly Italian collection](#) of classic cars has earned him the reputation as the 'golden boy' of the concours world. Credit Suisse's 'In Conversation With' film offers insight into the philosophy and the beginnings of Lopresto's collection, as well as his abundantly clear passion for cars.
