

CLASSIC DRIVER

[How to find yourself, with only a VW T2 and a map of the Scottish Highlands](#)

Lead

Ever wanted to just get away from it all? The protagonist of this short film did – and thus took a Volkswagen T2 Camper to the Scottish Highlands in search of true, mind-cleansing isolation...

Modern life can often get the better of us, and in the hustle and bustle of reality one rarely gets time alone with their thoughts. Many are afraid of isolation, but the character in this short film fully embraces his voluntary solitude in search of a deeper meaning.
