

CLASSIC DRIVER

[These dream roads make Scotland the ultimate driving destination](#)

Lead

Stefan Bogner has done it again - in his latest edition of Curves Magazine, the German photographer spectacularly documents a dream road trip across Scotland's snaking passes and dramatic scenery, both from the ground and the air...

Furthermore, Bogner has taken the time to include a full route map of his breathtaking journey, complete with hotel and restaurant recommendations. Do you need another excuse to plan a weekend away?
