

CLASSIC DRIVER

[Is up the only way for these modern Maseratis?](#)

Lead
It might be open to debate as to whether the values of these 1990s and 2000s Maseratis will climb, but no one could deny the bang-for-buck appeal of these Italian thoroughbreds...

As the 3200 and 4200 slowly creep into the eye line of collectors and enthusiasts, a glance at the Classic Driver Market yields a wide selection of reasonably priced yet charming and compelling Maseratis. If you were to tell someone that they could have a Gandini-designed bi-turbo V8 produced under the watchful eye of Ferrari for less than 20,000 euros, they might not believe you (or frantically run to the nearest ATM). Yet, for now at least, this is entirely possible. We've chosen 10 models, including the Berlusconi-favourite Quattroporte and flared-arch Ghibli, for your consideration below...

10 modern Maseratis from the Classic Driver Market
