**Why wait? These modern classics are getting more expensive every day!**

**Lead**

There are cars that simply get better with time — just like a fine wine. The following 10 modern classics are great examples of this, and they’re still surprisingly cheap — for now...

Are you still annoyed that you didn’t buy a Porsche 993 ten years ago, when prices were at rock bottom? Then, learn from your mistakes and don’t hesitate too long before purchasing your next dream car — while it’s still in your price bracket. The 10 collector cars listed below are elegant, suitable for everyday use, and can still be had for under 50,000 euros.

## 10 future classics to buy before it’s too late
