[Oh, Vienna! Leica Austria introduces 'Bold Grey' M10-P limited edition](#)

Lead

Coinciding with the opening of its new boutique in Vienna, Austria, Leica has revealed a special edition 'Bold Grey' version of its M10-P, limited to just 60 pieces worldwide...

Awesome in anthracite

Leica's just landed in Vienna, and with the new boutique comes a new limited-edition version of the brand's reliable M10-P rangefinder, dubbed the 'Bold Grey'. It's been coated in stealthy anthracite grey and features details such as a red adonized release button and a matching grey strap with contrasting red stitching. Equipped with the standard 35mm Summicron-M lens, also painted in grey, the 'Bold Grey' will be built in a limited edition of just 60 pieces, each of which will cost 14,500 euros.
