[On the road to Le Mans with the Porsche Taycan safety car](#)

Lead

Porsche recently invited us to join for a very special road trip. Here's the short film we produced along the way...

As the Porsche Carrera Cup Deutschland and its French colleagues were preparing for an exceptional season-opener during the 24 Hours of Le Mans weekend, the new safety car for the series, a Porsche Taycan, was poised to hit the road from the Porsche Experience Centre in Hockenheim to the Circuit de la Sarthe via Reims and Paris.

A CD Works production for Porsche

Production: JP Rathgen

Creative lead: Jan Baedeker

Videography: Kai Klinke

Photography: Mathieu Bonnevie

Model: Constantin von Westphal

Taycan Turbo: Electricity consumption combined 28.0 kWh/100 km; CO2 emissions combined 0 g/km (as of 09/2020)
