[This 1980s Egli-Ducati 900 SS is the ultimate road legal racer](#)

Lead

From the personal collection of Swiss racer Fritz Egli, is this Ducati 900SS the perfect lockdown escape?

Fritz Egli made his name improving motorcycle parts and developing frame designs to turn already great bikes into highly capable racers. In fact, he still does to this day and this fine [1986 Egli-Ducati 900SS currently for sale with Jeremy Cottingham](#) comes with a letter of authenticity to prove it was part of his personal collection.

We can't think of a better way to escape the lockdown madness right now than a quick blast along your favourite road with this rare and collectible street legal race bike that handles as well as it looks.
