Lead

Those with an appetite for Italian classics should mark October 2nd on their calendar because some seriously drool-worthy metal will be up for auction with Wannenes at Milano Autoclassica.

While cars and bikes from all over the Eurasian continent are going under the hammer on [October 2nd with Wannenes at Milano Autoclassica](#), it's the Italian cars that really caught our eye, and as such 60% of our 10-car pick and mix is waving the Tricolore. Starting with the gorgeous 1972 Alfa Romeo Junior Zagato 1300, others to watch out for include a 1956 Giulietta Spider SWB and its boxier, but no less cool descendant, a 1987 Alfa Romeo Duetto Spider in spicy Quadrifoglio Verde spec. Those looking for something higher up the Italian automotive pecking order should check out the stunning Ferrari 328 GTS that's up for grabs, and if German is more to your tastes, then the 1973 Porsche 911 2.7 Carrera should be more than satisfactory. There's plenty more to pour over, so scroll down for our top 10 choices!
