## These items are guaranteed to keep the endless summer going

**Lead**  
Take a look at some of the coolest items we've curated on the CD Shop, guaranteed to keep the summer vibes going on even as the temperature starts to drop!

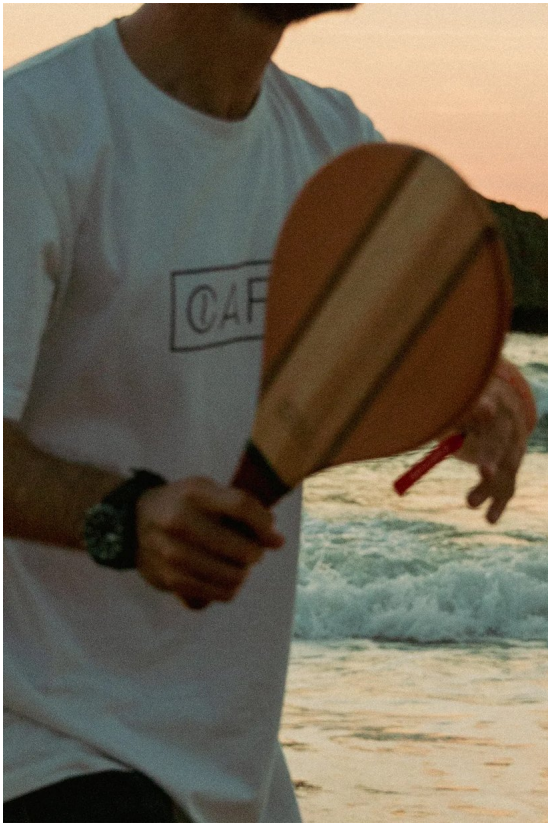

As the temperature reaches boiling point, the desire to load up the classic car and head out on a sun-drenched road trip can be too much to resist. We've hand-picked a selection of our favourite items from a variety of brands that embody that endless summer vibe, but be warned, you're going to want to own it all!

### Famed-Flamingo Fashion

If there's one brand that knows just how to stay fresh during the summer, it's 8JS. Building on their rich foundations for high quality and durable everyday wear for the car-lover, their latest collaboration collection is a real treat. Teaming up with renowned visual artist Chris Labrooy, items such as this Dusty Pink tee bring some pastel perfection to your wardrobe, and Chris' now iconic Flamingo 911 sets the tee off beautifully!
