[Bid for the lost arks of automobilia at Gooding's upcoming auction](#)

Lead

Even the most distinguished car collection is not complete without a selection of fine automotive artworks, sculptures and automobilia. Until 6th October, Gooding is offering some of the most sought-after collectibles of the car world in their latest "Geared Online" sale.

With more than 400 motoring, art, collectible, and lifestyle lots, you can literally get lost [in the catalogue for the latest Gooding & Company Geared Online sale](#). Besides vintage original motor racing and travel posters, the auctioneers have gathered a remarkable selection of prized sculptures by artists including John Elwell, Stanley Wanlass, and Michel de Tarnowsky. All of the carefully sourced items for the upcoming sale are located in the UK and offered without reserve.
