Lead

As we dive head-first into the festive season, we've gathered a selection of our favourite 50 items that have recently joined the CD Shop. It wasn't easy choosing just a selection, but we can assure you there's something for ever car-lover in this list!

If you're just about done buying gifts for other people and fancy treating yourself to something a little special, or pick up some much-needed last minute gifts for a car connoisseur, the CD Shop is the ideal digital store to discover the latest brands.

We've scoured our favourite brands and their latest collections to bring you a carefully curated selection of the finest goods both big and small, including Floyd's all-new cabin case created in collaboration with the iconic Playboy magazine. Another highlight comes from Lisbon-based style masters Coolinvintage, where founder Ricardo Pessoa captured their truly unique hand-painted Land Rover with a fine art print.

Here's 50 of our favourites, now available in the CD Shop!
