[These 10 perfect Ferrari 812s are for sale. Which would you pick?](#)

Lead

It's one of Ferrari's most-loved gran tourers, boasting handsome looks and an exhaust note that'll rival even the most established of orchestras. We've hand-picked 10 of our favourites currently available from the Classic Driver Market.

Making its debut at the 2017 Geneva Motor Show, continuing where the equally as stunning F12 Berlinetta left off, it seemed Ferrari were in their sweet spot of outrageously fast, and yet refined and liveable super grand tourers. Now seven years old, the 812 Superfast has matured into an effortlessly stylish and yet incredibly powerful machine, and perhaps most importantly, one that is now all the more appealing due to its gentle decrease in price, making it a fantastic option for an everyday driver. [Better still, we have over 20 examples for sale on the Market!](#)

We've hand-picked 10 of our favourite examples from the Classic Driver Market:
